## NCAA RECAPS

### Top 16 Finishers at NCAA Championship

Note: From 1985-present, top-16 finalists are considered All-Americans. Prior to 1985, top 12 finalists are considered All-Americans, with the top six considered first team and the next six earning honorable mention. Additionally, swimmers who compete in the preliminaries for relays and help the team advance to finals, but do not swim in finals are also considered All-Americans.

**Bold** indicates NCAA Champion (name) in relays indicates prelim swimmer who did not swim in finals, but earned All-America recognition.
